

**ORANGE CRUSH: SANDRA FAASE**

Happy, snappy orange  
What's not to like?  
Less drama than red  
Pithier than peach  
1970s Formica kitchens blazing  
Flared jeans to skinny ones  
Dazzling Scandi designer dahlias  
Serotonin synapses on a sunny day  
A sunset bath of zinnia petals  
Kissing amber from ancient forests  
Turmeric infused everything  
Bursting to anti-oxidise everything in its way
