Puppy Reservation Form

I (undersigned) have attached my deposit to reserve a Goldendoodle / Labradoodle / Doubledoodle (circle one) puppy. I prefer a boy / girl / either. I understand that gender preference is subject to availability in the litter.

Please send me a confirmation of receipt and my place on the reservation list. I understand that I and other buyers will select our puppies from the litter in the order that our signed reservation forms and deposits are received by Northshore Doodles, LLC.

I have read the text of the Puppy Contract (available on www.northshoredoodles.com). I agree with all its terms and conditions including the no-breeding clause.

I understand that my deposit is nonrefundable unless there are not enough puppies (regardless of gender) born in the litter to fulfill my place on the reservation list.

I understand that because of natural genetic variability, the colors, coats and genders in this litter cannot be precisely predicted, and Northshore Doodles, LLC has made no representation regarding the exact colors, coats or genders that may be available to me. Nor has Northshore Doodles, LLC made any representation regarding the exact final adult size or temperament of any puppy.

I understand that Adoption Day appointments will be scheduled for one hour each in the sequence indicated on the reservation list. If I miss or am late for my scheduled appointment, adoptions will continue with the next reservation on the list. As a consequence my choices will be limited to the remaining puppies (or puppy) in the litter, and I may not receive any puppy. I understand that my deposit is non-refundable.

On Adoption Day, I will bring cash in United States currency for the purchase price plus applicable state and local sales tax, less my deposit. I will select my puppy, sign the Puppy Contract and pay for my puppy during my scheduled appointment.
