## ACKNOWLEDGEMENT OF INFORMATION

Visions Performing Arts College Prep is a free public charter school open to all student performers. Acceptance is not a reflection of artistic or academic merit or needs. You acknowledge that all information provided is correct and indicates meaningful interest to enroll at VPAC. This intent to enroll does not guarantee admission to the school. This letter has been prepared by Visions Performing Arts College Prep to extend an intention of enrollment. Visions Performing Arts Company is a 6<sup>th</sup> through 12<sup>th</sup> grade dedicated to preserving African and Latino performing arts while preparing student performers to continue to college and enter the performing arts industry in a healthy successful competitive way. This is a non-binding full intention to be involved in the development and launching of VPAC in 2020. We are excited to be in this family.
