

Online Class Instructions

- You can only sign one person at a time.
- Make sure to download and print the other two links near this instruction one. The Online Answer Sheets and The Pistol Prof. Test.
- Click on the **ONLINE CONCEAL CARRY** link and fill out the registration.
- PayPal has a link on the bottom of the page to pay for the online class. Go through the process on Pay Pal if you do not already have an account and once the payment has been finalized you will be brought back to the module page that also has the password for accessing the modules.
- Click on that link which will bring you to a page asking for the password, enter it and start watching the modules. Save this page in your Favorites so you can come back to it more easily if you do not finish the modules.
- At the end of each module there is a test. Use the answer sheet you printed out to answer the test questions. Please circle your answers for the multiple choice questions and true false questions. Print in the spaces provided for the other questions. **You may pause the Module on the different screens that the test questions are on then click play to move forward.**
- There is a contact us link at the bottom of the page below the modules if you have a question while watching the modules.
- Keep you answer sheet to bring it out to the range when you come out for the live fire qualification.
- Once you have finished the modules go contact us to set up range time.

- The time at the range will include grading of the tests from the modules, another written test (The last one we promise) and the live fire qualification. The time at the range will be 1 to 1 ½ hours. We will be happy to answer any questions that you have.
- What do you need to bring to the range? Dress for the weather, the range is outdoors but covered. You will need a firearm, please no black powder pistols. You will need 50 rounds of ammunition. If you need a free loaner pistol let us know we can accommodate you. The only thing we ask is that you pay for the ammunition; you pay what we pay for it. Don't forget your answer sheet this is important. Bring any questions that you have.
