## Learning for Leadership Charter School Community Eligibility Provision Program Information

Dear Parent or Guardian:

We are pleased to inform you that Learning for Leadership Charter School will be implementing a new program available to schools/districts participating in the National School Lunch and School Breakfast Programs called the Community Eligibility Provision (CEP) for School Year 2014-2015.

### **What does this mean for you and your children attending Learning for Leadership?**

Great news for you and your students! All enrolled students of Learning for Leadership are eligible to receive a healthy breakfast and lunch at school at **no charge** to your household each day of the 2014-2015 school year. No further action is required of you. Your child(ren) will be able to participate in these meal programs without having to pay a fee or submit a meal application.

**Please note**, however, that our school is eligible to receive additional state and federal funds based on the number and/or percentage of students enrolled who reside in households that meet established federal income guidelines. For this reason, you may be asked to complete an **Alternate Application for Educational Benefits**. The application also helps our school qualify for education funds and discounts. If you receive this application, please help our school by completing and submitting the form.

If your child(ren) transfers to another school that is not participating in the CEP, and you have not submitted a household Application for Educational Benefits or received a direct certification notice, you will need to complete an Application for Educational Benefits to apply for free/reduced-price meals at that school.

If we can be of any further assistance, please contact Sue at 612-789-9598.

Sincerely,

Susan Latham, Administrative Director
