Patriot Gas offers many services to our customers, not only for your safety and convenience, but to assist you in keeping your fuel bills affordable all year round. One such service we would like to emphasize is our "Check-n-fill" service.

Here are a few reasons to consider this service:

1. Once on "Check-n-fill", Patriot Gas will routinely come by and fill the propane tank making sure that your tank does not run empty and a leak test charge is not incurred. (We know that coming home to a cold shower or home is not pleasant!)
2. Patriot Gas offers a discounted rate for filling your tank to 80% and there is no extra charge for being on the "check-n-fill" service plan!
3. The National Fuel Gas Code requires that if a propane tank runs out of gas — or if service is otherwise interrupted — all propane suppliers must perform a leak test (\$48 at customer expense) and appliance check before delivering propane

Convenience, savings and safety...those are the three primary reasons for joining the Patriot Gas "Check-n-fill" service. If you have and further questions, please do not hesitate to ask. To get started on this program, please sign and return the form below to our office.

I hereby request Patriot Gas to add me to their "Check-N-Fill" Service and request that they routinely check and fill my pro-pane tank. I understand that signing this document gives Patriot Gas authorization to process payments through the credit card listed below. I understand that all accounts are due and payable the 15 of the month following purchase from Patriot Gas and will be deducted on the credit card listed below. Accounts not paid in full by the 15th of the month shall bear inter-est at 18% per annum from the 1st of the month until paid. Purchaser agrees to pay this service charge along with any and all collection charges on a delinquent account and acknowledges receipt of the above merchandise and services with this under-standing. I, the purchaser, agrees to check the propane tank periodically and that being on the "Check-N-Fill" service list does not guarantee I will not run out of gas.
