The Universal Christ Study Group is a transformative discussion group based on Father Richard's remarkable text, which provides a forum for the ongoing ascent of Christianity. We work primarily from our handouts, which borrows liberally from Workbook for The Universal Christ: by Growth Hack Books.

The intention of the group is to support personal transformation by develop understanding of the Universal/Cosmic Christ perspective, as presented in Christianity's mystical tradition, and characterized by the works of Fathers Thomas Keating, Matthew Fox and Richard Rohr.
