SECTION LEADER PAM SAPETTO INTRODUCES OUR NEWEST SECTION ENTERPRISE CIRCLE

Our first meeting of the Enterprise Circle section was a resounding success! We had great attendance and shared not only businesses we want to start, but businesses we already have. What incredible resources we have among our OPAWL members! We are learning from each other and sharing resources and information to help one another. Ruth Lundring was our incredible hostess for this event and folks brought lots of good food too.

Our next section meeting will be at 6pm on Wednesday, November 12th at Ruth Lundring's house. We will have a presentation by well known and knowledgeable local attorney, Matt Sumrow. He will be speaking on what is needed to start a business in today's fast pace society. Bring a snack to share if you'd like, but it's not mandatory.

We look forward to seeing you!

OPA WOMEN'S LEAGUE IN THE LOOP

The OPAWL Bunco Babes were at it again, the dice were flying, drinks were poured "BUNCO" was shouted and lots of fun and laughter was to be had. Michelle Schmidt hosted 16 players, including 3 newcomers, to a spooky halloween themed night of Italian food, a signature cocktail and delicious desserts. Not to mention 2 rounds of Bunco and a rousing game of Left Right Center to cap off the night. Congrats to our winners.

November's game night is early this month, November 11, with Shelly Flathers hosting. Please contact section leaders Jamie Spence or Karen Ashford if you are interested in joining this fun section.
