2009-2010

Pioneer Award

Role: Principal Investigator
Title: Gender Differences and Temporal Trends after Stress Testing
Funding: Institute of Women's Health Research (active)
\$25,000

2008-2010

Role: Principal Investigator

Title: Women with chest pain and normal coronary arteries.
Woman's Board of Northwestern Memorial Hospital Grant Recipient
\$100,000

2009

Role: Co-Principal Investigator with Institute of Women's Health
Title: Cardiology Summer Academy-Program funded to enroll 16 high school girls, from disadvantaged backgrounds, who attend school on the south side of Chicago. The role of the project was to provide young women with the opportunity to engage in hands-on learning experiences to explore basic science research and clinical applications occurring in the field of cardiology.
