

FELICIANA LODGE 31

Dear Community Partner,

Once again we are celebrating our annual Day the War Stopped re-enactment on June 8, 2024.

This event has now grown nationwide as masons and history buffs from around the country join us as we reenact the burial of Union Commander John E. Hart in 1863.

We ask that you consider supporting our cause as a sponsor. This year our campaign's goal is \$10,000. We are also looking for donations for our daytime raffle.

Felician Lodge #31 is a 501c10 nonprofit organization devoted to making a difference in our community. Our biggest endeavor is the Dyslexia Program which helps local kids overcome the challenges of this learning disorder. We are also involved with Project Graduation and support [Masonic charities statewide](#).

Your donation will be acknowledged at the lodge during the re-enactment as well as at the nighttime after party, on our Facebook page, and [Felicianlodge31.com](http://felicianlodge31.com). Felician Lodge #31 relies on support of generous donors such as you. Your donation will help ensure the success of our future and our community.

We thank you for your consideration of our request, and look forward to hearing from you in the near future.

Sincerely,
Leon Barnett
Worshipful Master
Felician Lodge #31
