

Campfire Pigs in a Blanket

Ingredients

1 tube crescent roll dough
4 beef hot dogs
Yellow mustard or maple syrup, for serving

Instructions

- Build a medium campfire.
- Roll out crescent dough and cut into four equal pieces.
- Place a hot dog at one end of a portion of dough and tightly wrap, trimming off any excess dough.
- Repeat with remaining hot dogs.
- Place each pastry-wrapped dog on a long metal skewer and hold over the fire. Turning constantly to avoid burning, cook until dough is browned and crisp, 10 to 15 minutes.
- Serve with your favorite condiment.
