### Consent & Understanding

By signing below, you acknowledge and agree to the following:

- Seidr ritual work is spiritual in nature. Results may vary, and no specific outcome is guaranteed.
- This work is not a substitute for legal, medical, or financial advice.
- All information shared will be kept private and used solely for the purpose of your ritual.
- Mama Sha' will work your case with the same grit and fire she puts into all her magic — but only if you've given her everything she needs to get started. Send any additional information and all relevant photos to Mama Sha at [info@inexplicablethings.com](mailto:info@inexplicablethings.com) — right away. Without all the pieces, your ritual cannot be scheduled, and she will not track you down to get them.
- Seidr work takes a great deal of preparation, so these rituals are often scheduled a week or two out from the time all materials are received.
