COURSE DESCRIPTION:

This workshop is designed to provide beginning and intermediate level therapists a broader understanding of the components and tools of treatment when providing intervention for children who have Sensory Processing Dysfunction. The workshop is designed to present an overview of the different sub-types of Sensory Processing Disorder along with their corresponding clinical features. ***The workshop will provide suggested “maps” or guidelines for intervention with the distinguishing features of each sub-type for the clinic and school based therapist.***

AGENDA

8:00– 8:30 Registration

8:30 – 9:30 Key concepts in treatment

9:30—10:30 Components of sensory modulation pathways

10:45—12:00 Sensory based motor disorders, pathways to postural control

12:00—1:00 Lunch (on your own)

1:00—2:00 The Dyspraxias

2:00– 2:15 Lab activities

2:30 - 3:20 Pathways to disorders of sensory discrimination: Body awareness and Functional vision pathways

3:20-3:30 Questions and Answers

Two - 15 minute breaks will be given mid-morning and mid-afternoon as needed

LEARNING OBJECTIVES: AT THE END OF THIS SEMINAR THE PARTICIPANT WILL BE ABLE TO...

- Identify various subtypes of Sensory Integration Dysfunction
- Identify typical symptoms corresponding with each sub-type
- Describe sensory tools & strategies that are consistent with underlying deficits for each sub-type
- Describe a developmental hierarchy for implementing corresponding strategies commonly used with each sub-type of Sensory

PRESENTERS BIO:

Renée received her B.S and Certification in Occupational Therapy from New York University, and M.S in Health Science from SUNY Stony Brook. Prior to developing her own practice, Renée taught Advanced Clinical Neurology for 5 years at New York University, and for 3 years at Touro College. She has also worked as an independent contractor for local schools on Long Island. Renée has been Board Certified in Pediatrics since 1992. She is SIPT certified and also certified in Therapeutic Listening, SAMONAS and Integrated Listening Systems. Renée has lectured extensively throughout the United States for various agencies and schools. Her presentations abroad include having held professional workshops in Nigeria and also in Greece. Renée has owned her own private practice which continues to include contracting with local school districts for the past 30 years.

DISCLOSURE:
