A SNAPSHOT OF WHAT YOU'LL LEARN:

- ★ Easily incorporate therapy based movement into the classroom setting to enhance learning potential of students
- ★ Through the use of S'cool Moves poster activities, improve motor planning, rhythm, timing, core strength, vestibular activation, hemispheric integration, and sensory-motor systems to build a solid foundation for learning
- ★ Improve self-regulation, reading, writing, and focus for academics
- ★ Learn tiered interventions designed for whole school, small groups, and one-on-one intervention
- ★ Understand how teachers and therapists working together can achieve goals for their students faster and more enjoyably
- ★ Translate research into action for the benefit of all students

Target audience and level of instruction: Beginner to intermediate level for OTs, OTAs, PTs, and PTAs, special education instructors, teachers, and specialty staff.

Education Credits: 6 contact hours, 6 PDUs for NBCOT/.6 CEUs, 6 CTLE hours

Certificates will be awarded. Please contact us with any special needs requests. This continuing education program is available to all physical therapists and physical therapist assistants in the state of NY on a non-discriminatory basis.

**Dr. Jessica Gilson, PT, DPT** is a physical therapist who received her Doctorate in Physical Therapy from Touro College and her Bachelors of Science from Yeshiva University Stern College for Women. Jessica primarily works with children and young adults ranging in age from birth to 21 years old in a variety of settings. These include a private therapy center, both the general and special education school systems, and in the home within the early intervention model. She has worked and collaborated with teachers, paraprofessionals, social workers, occupational therapists, speech therapists, and physical education teachers. She is a S'cool Moves Certified Trainer. S'cool Moves is a program founded by Dr. Debra Em Wilson.

## WORKSHOP LEARNING OUTCOMES

By the end of the workshop, participants will:

- ★ demonstrate how to provide support for children with developmental issues
- ★ learn how to use activities in a variety of settings: clinic, school, and home
- ★ collaborate more effectively with peers using evidence based practice
- ★ differentiate learning for whole group, small group, and one-on-one instruction
- ★ learn techniques to improve student's overall coordination, motor planning skills, body awareness, and visual tracking skills
- ★ learn how to institute daily movement based learning into classrooms and how to effectively motivate teachers and classroom staff to get S'cool Moves up and running in minutes a day
- ★ integrate occupational and physical therapy theory and techniques where appropriate into S'cool Moves routines
- ★ describe techniques focusing on best practice in collaboration to promote an "All Hands-On-Deck" approach that provides carry-over from pull-out to push-in service delivery
- ★ list six overarching principles that guide the implementation of S'cool Moves activities in general education and special education environments
- ★ implement multisensory approaches that support students with co-morbid ADHD, sensory processing disorder, dyslexia, developmental delays, or autism spectrum.

### Cancellation Policy:

A full refund less \$70.00 dollars administrative fee will be given for cancellations received up to 15 days prior to the course. After that no refunds given for cancellations. This policy will be waived if a replacement participant is found.
