WHEN

Summer - **July 10, 2019 or October 30, 2019**

8:30 AM - 4:00 PM

WHERE

Summer — Crowne Plaza, Suffern-Mahwah, New York (Near Rockland County & New Jersey)

Fall — October — Long Island, New York (8:00—3:30)

COURSE DESCRIPTION

Participants will learn how to easily incorporate therapy based movement into the classroom setting to enhance learning potential of students. Through the use of S'cool Moves poster activities student will improve motor planning, rhythm, timing, core strength, vestibular activation, hemispheric integration, and sensory-motor systems to build a solid foundation for learning. They will also improve self-regulation, reading, writing, and focus for academics achievement. Participants will also learn tiered interventions designed for whole school, small groups, and one-on-one intervention. In addition they will understand how teachers and therapists working together can achieve goals for their students faster and more enjoyably results. S'cool moves translates research into action for the benefit of all students.

PRESENTERS BIO:

Dr. Jessica Gilson, PT, DPT is a physical therapist who received her Doctorate in Physical Therapy from Touro College and her Bachelors of Science from Yeshiva University Stern College for Women. Jessica primarily works with children and young adults ranging in age from birth to 21 years old in a variety of settings. These include a private therapy center, both the general and special education school systems, and in the home within the early intervention model. She has worked and collaborated with teachers, paraprofessionals, social workers, occupational therapists, speech therapists, and physical education teachers. She is a S'cool Moves Certified Trainer. S'cool Moves is a program founded by Dr. Debra Em Wilson.
