

☉ Hair Colour Patch Testing

A colour allergy test needs to be performed 48 hours prior to every colour service.

Option 1 – Come into the salon for a free allergy/incompatibility test prior to your appointment.

Option 2 – We will post a tube of tint for you to perform an allergy test at home at a cost of £12.00.

Option 3 – Collect a tube of tint from the salon at a cost of £8.00

The tint tubes have a shelf life of 12 months from opening, so you will be able to do your test prior to each colour application.
