

OUR MISSION STATEMENT: Maine Veteran Woodturners is being organized in Maine by and for U.S. Military veterans as a nonprofit mutual benefit association. The organization has the purpose of providing therapeutic and purposeful activity for themselves and other veterans in the community. Vital to our mission is to provide a sense of **purpose, patience, direction, motivation, and camaraderie**. To accomplish this goal, the organization will provide veterans with the equipment and supplies needed to craft wood turned custom pens and other wood turned art. Their arts and crafts will be sold, and all monies received are returned to the organization to enable further financial support for more veterans to learn, train and produce more crafts.
