Dear Applicant:

In your letter dated September 18, 2023, you requested a reclassification of foundation status as a public charity.

Our records indicate you are classified as a private foundation. You claim you're erroneously classified as a private foundation and are requesting correction of the error.

Based on the information you provided, we determined you meet the requirements for classification as a public charity described in IRC Sections 509(a)(2) and updated our records.

Because your tax-exempt status wasn't under consideration, you continue to be classified as an organization exempt from federal income tax under IRC Section 501(c)(3).

For important information about your responsibilities as a tax-exempt organization, go to www.irs.gov/charities. Enter "4221-PC" in the search bar to view Publication 4221-PC, Compliance Guide for 501(c)(3) Public Charities, which describes your recordkeeping, reporting, and disclosure requirements.

This letter could help resolve questions on your foundation status. Keep it for your records.

We sent a copy of this letter to your representative as indicated in your power of attorney.

Sincerely,

Stephen A. Martin
