Year 5 WEMT Course

The Year 5 WEMT (Writing, English, Maths, and Thinking Skills) course offers carefully designed module content tailored to the demands of today's competitive academic environment. Students commit to consistent weekly work readings, practice exercises, and skill-building activities that gradually deepens their understanding across all key areas. This approach fosters genuine, long-term competency rather than last-minute cramming, laying a strong foundation for success in selective school and independent school scholarship exams. By actively engaging with the WEMT course, students will gain:

- **Exam Readiness:** Strengthen core skills in writing, reading, mathematical reasoning, and critical thinking to perform with confidence under exam conditions.
- **Effective Writing Techniques:** Learn to structure and craft persuasive, creative, and analytical writing with clarity and purpose.
- **Reading Comprehension Mastery:** Build proven strategies to interpret complex texts and respond accurately to a variety of question types.
- **Maths Simplified:** Develop a confident understanding of key concepts, formulas, and problem-solving techniques through clear and progressive practice.
- **Critical Thinking & Problem-Solving:** Sharpen analytical reasoning and lateral thinking through stimulating exercises that encourage independent and logical thought.

Selective Trial Test Course (STTC)

The Selective Trial Test Course (STTC) is specifically designed to give students an in-depth, immersive experience of the selective school exam before the real test day arrives. This course goes beyond surface-level preparation by diving deep into every aspect of the exam — familiarising students with the **computer-based** test format, timing, question structures, and real exam conditions they will encounter.

Through consistent weekly trial tests, students will tackle a wide variety of question types across all key subject areas, while developing powerful strategies that will set them up for success.

Key Benefits of STTC:

- ❖ **Practice Makes Perfect:** Regular, structured trial tests allow students to develop a strong familiarity with the exam format. By repeatedly engaging with exam-style questions under timed conditions, students reduce exam anxiety and sharpen their ability to perform consistently and accurately when it counts.
- ❖ **Detailed Feedback:** Students will have access to individual, detailed results through Cyberschool, allowing them to identify strengths, pinpoint areas for improvement, and track their progress over time. This data-driven approach ensures that every student's preparation is targeted and effective.
- ❖ **Writing Mastery:** Strong writing is a critical component of the selective school exam. Students will receive personalised, expert feedback on their written responses, helping them refine their structure, language, and ideas to produce compelling, high-scoring writing pieces.
- ❖ **Power Up Your Performance with Cyberschool:** Maximise your performance by taking full advantage of Cyberschool exclusive activities and resources, specifically curated to complement and support your STTC journey. From additional practice materials to targeted exercises, Cyberschool provides the extra edge students need to go into the exam feeling fully prepared and confident.

Class Timetable

Each weekly test cycle opens on Saturday and repeats on Sunday, Tuesday, Wednesday and Thursday. Students attend one 3-hour and 10-minute session per week (See full timetable details below).

Year 5 Term 3 Selective Trial Test Course (STTC) – Class Timetable

STTC Session	Class Time
Saturday AM*	9:30am – 12:40pm
Sunday AM	9:30am – 12:40pm
Tuesday	4:30pm – 7:40pm

- Class time may be changed depending on the number of enrolments.

STTC Test Format

To perfectly mirror the official selective school exam, all sessions utilise a **computer-based** testing format.

- **Devices Provided:** All STTC sessions use the same computer-based testing format as the official selective school exam. Each student completes their trial test on an individual testing device provided by the college during class - no need to bring your own. This ensures every student has access to identical, properly configured equipment and can focus entirely on the test rather than troubleshooting their device.
- **Device Care Policy:** Students are expected to handle all testing devices with care throughout the session. Please remind your child of this responsibility. Parents and guardians are responsible for any repair or replacement costs if a device is damaged due to careless handling or negligence.

Make-Up Test Policy

If your child misses a scheduled class for any reason, they are welcome to complete a make-up test at our head office **within one week of the missed session**. Make-up sessions are self-paced and allow students to complete the weekly test without falling behind on content coverage. However, please note that teacher-led interactive test reviews are not available during make-up sessions.

Fee Structure & Discount Offer

- Standard Course Fee: \$80 per session (week).
- Payment Terms: Tuition is payable in full before the term begins. For students enrolling mid-term, fees will be calculated pro-rata for all remaining sessions.
- Special Bundle Discount: Enrol in both the full-term STTC and WEMT courses together at the same branch to unlock a discounted rate of \$72 per session for the STTC! (Note: WEMT course fees are charged separately).
