### Give your child a head start on a smooth transition to high school!

The 6+ Course is specifically designed to equip Year 6 students with the skills and confidence they need to thrive in high school.

Here's what makes this course so valuable:

- ✓ **Strong Foundation:** The 6+ Course builds a solid base in core subjects like English and Maths, preparing students for the demands of Year 7.
- ✓ **Seamless Transition:** We make the jump to high school stress-free. Students gain familiarity with Year 7 curriculum and essential study techniques, ensuring a smooth transition.
- ✓ **Confidence Boost:** By feeling prepared and equipped, students enter high school with greater confidence, ready to take full advantage of the opportunities that await them.
- ✓ **Academic Growth:** The 6+ Course sets students up for academic success from day one in Year 7, promoting consistent growth throughout their high school journey.

Don't miss this chance to give your child the edge! Enrol today!

## 6+ Term 3 Course – Outlines of Teaching

### 6+ English

Our 6+ English program goes beyond basic comprehension. We equip students with the skills to confidently conquer a variety of texts, from analysing and understanding them to crafting well-structured essays and insightful responses across different genres. This fosters language proficiency and confidence, preparing students for high school success.

Get ready to dive deeper with our **all-new "ELA Essentials for High School Preparation" curriculum!** This streamlined lesson tackles a diverse range of topics, solidifying your foundation in crucial analytical, writing, and comprehension skills. **Here are the key topics to be covered in Term 3:**

- ✓ Mastering the Building Blocks: Nouns, Pronouns, Verbs, Adjectives, Adverbs
- ✓ Sentence Structure and Variation: Phrases, Clauses, Affixes & Roots
- ✓ Literary Devices: Figurative Language, Comedic and Poetic Devices
- ✓ Persuasive Techniques: Mastering the Art of Argumentation
- ✓ Understanding Fiction: Plot Elements, Visualisation, Summarisation, Inference & Evidence.

### 6+ Mathematics

The 6+ Maths program is designed to give students a solid launchpad into high school mathematics. We'll revisit and solidify key Year 6 concepts, while offering a fun and engaging glimpse into what Year 7 maths holds. Through interactive activities, your child will gain a deeper understanding of essential maths principles, boosting their confidence and making them feel comfortable with the subject.

#### Term 3 Focus Areas:

- ✓ Crack the code of number patterns and explore the world of algebra!
- ✓ Master the art of angles and unlock the secrets of 3D shapes – circles, cylinders, cones & spheres!
- ✓ Discover how shapes can be similar and the relationship between sides in Pythagoras' Theorem.
- ✓ Uncover the stories hidden in data and learn the language of chance with probability.
- ✓ Tackle inequalities and master algebraic techniques to become a problem-solving pro!
- ✓ Dive into extension problems and explore the exciting world of maths further!
