**All loads are reviewed by a licensed scaler to determine wood quality and species. Loads below spec/grade may have deductions applied or may not be accepted.**

When delivering wood to Ledwidge Lumber, we ask that the trucker be able to fill out the following information:

1. The vendor receiving payment for product delivered.
2. Town, County, PID no. from where product is being delivered.
3. If a trucking company is being paid by Ledwidge Lumber the company name and rate per tonne is required.
4. Landowner's Name and Land type (private or crown).

If using a Load Delivery Log Book you can leave a copy of the delivery slip and enter the ticket number.

*Provide your email address to be added to our Supplier List for Updates*

When drivers arrive with their first load of NB wood they must talk to Shawn, Donald, or Stephen in the scale house and sign off on a declaration about our procedures for accepting and stocking the studwood in a special area of our yard.

Our loader operators must be alerted they have NB wood and then will be unloaded in the correct area or will be directed to unload themselves.

Due to the importance of segregating the wood in our yard, **the hours for delivery of NB studwood at this time will be 7:00AM to 4:30PM Monday to Friday.**

Transportation certificates are mandatory and 1 copy must be left with the scale house.

Thanks for your cooperation on jumping through these hoops to make deliveries possible, we appreciate your business.
