## Live Wedding Paintings

Congratulations on your wedding! To make this day even more special, you should add something to remember your wedding by...a painting!

You have the choice of what you'd like painted. Maybe it's your first looks, your first kiss, your first dance, etc.

Ashley Smith will travel to your wedding within 2 hours from Frederick, Md. If the wedding is further away, a travel fee and a place to stay must be provided. She will need to be at the venue two hours prior from the start of the wedding to set up and take pictures of the setting (you will provide location, what part of the wedding you want painted, a place to set up), and will stay for up to 6 hours (depending on how long the wedding schedule is set for). If you request her to stay longer, there will be a \$10 fee added on for each extra hour.

Ashley will then work over the next couple of weeks to finish the painting and deliver it to you. If you provide her a phone number, she will be able to keep you updated on the painting.

When you book with Ashley, she will go over all the details needed for the painting, length of wedding, location, and estimate for the painting. she will gladly answer any questions!
