## Church Newsletter

MAY 3, 2023

As the church startup committee, we want to share with our church family an update on what we have been discussing and working on over the past few weeks. We are moving forward as like-minded believers while discussing and planning these beginning stages. Primarily, we are working on obtaining all the items required to affiliate as a Global Methodist Church based on the unanimous votes to affiliate with the GMC in April.

We have assembled a startup team/corporate board and are very confident that this core group exemplifies strengths and talents to achieve common goals.

Items in progress include writing effective church bylaws, obtaining a PO Box and setting up a bank account.

We are happy to announce that we have set a date for our first church service – so mark your calendars!
