Update: Our main objective now is to purchase a church building for Heartland Faith. We have been using our General Fund for various expenses such as a computer, worship gear, event expenses and Visa gift cards to pay our guest Pastors.

To ensure that we have the means to acquire our own building, we are in the process of setting up a Building Fund and exploring facility options. This fund will enable us to save specifically for this important goal. If you wish to contribute to the Building Fund, please designate accordingly. If anyone has any questions the start-up committee will be available immediately after service in the fellowship hall on Saturday, August 5 & 12. We appreciate your support and involvement in our exciting endeavor. Together, with God, we can make it happen!
