

TOWN OF ROSEBOOM COMMUNITY POWER: Electricity Supply at Competitive Rates

Three Info Sessions in February & March: Answers to Your Questions!

The Town of Roseboom is planning to participate in an upcoming bid to consider an electricity supply contract through Roseboom Community Power. Roseboom Community Power is a Community Choice Aggregation (CCA) electricity supply program. CCA programs can provide eligible residents and small businesses with access to renewable electricity supply options at competitive rates, with no individual contracts for consumers. Benefits include support for renewable energy, competitive rates, and strong consumer protections.

The program can have a measurable positive environmental impact by giving each of us a way to reduce our carbon footprint.

Learn more about the Town program and get answers to your questions at an in person or online Information Session:

Tuesday, Feb. 9, 7 pm – Attend the Board meeting presentation in person – or join on Zoom or call in:

At the Town Barn, 126 Co. Hwy 50, Cherry Valley, NY 13320
