

Welcome to the Infant Room

DEAR FAMILIES,

Our teachers at VIP are very excited to have you join them in the infant room! We have so many fun and exciting things to learn throughout the year! During our daily caregiving routine, we will focus on the individual child by singing songs, saying rhymes, and playing interactive games such as “peek-a-boo”. All infants are read to and played with while mobile children are encouraged to explore and discover in our safe environment that encourages new interests and skill levels.

Families, please provide a nutritional diet for your infant. All foods, including baby formula, milk, jar foods, cereals, and snacks are to be supplied and labeled by the parent. Please send in pre-made bottles for your infant. You may keep back up formula in their diaper bag for emergencies. Please make sure you have given VIP an Infant Feeding Plan and update it as you start introducing new food to your child.

Our teachers will be communicating not only at drop-off and pick-up, but also through the ProCare app. There, you can let our staff know of any bottles, foods or diapers given prior to drop-off. As a parent you can also leave special notes for the teachers to read. Our staff will input all bottles/food given, naps and diapers, throughout their day. You will also see photos and/or videos that were taken that day. Since accidents sometime happen, please make sure you pack 3 changes of clothes for your child.

We are so thrilled to start the new school year with so many new faces! We are looking forward to watching your child grow and develop throughout the year. If you should have any questions or concerns, please feel free to ask!

Thank you, The Infant Room & VIP!
