

The Waddler Room Welcomes You

Our teachers at VIP are very excited to have you join them in the turtle room! We have so many fun and exciting things to learn throughout the year! Our goal in the turtle room is to introduce the children to a preschool setting and get them to be comfortable with the routine of the classroom. During the year, we will be working on our manners, using please and thank you. We will also emphasis playing nice with our friends. We will learn saying our alphabet, colors, shapes, numbers and many more exciting things.
