

Prayer for Healing Through the Holy Spirit*

O, Holy Spirit we humbly come before you to acknowledge you and your presence in our life.

If we have, in any way, neglected, forgotten or been unfaithful in our relationship with you, we apologize and seek forgiveness and healing.

We seek renewal, cleansing and refreshment in our commitment to love you, obey you, thank you and serve you. May we never forget you again and remain always faithful to your call and grace at work in us. With Jesus, we also join you in living and spreading the word of God you bring to us.

Thank you for your patience and faithfulness in guiding and protecting us.

Come Holy Spirit, come with your love, your strength, and your gifts.

Come Holy Spirit, help us in our commitment and desire to love each other.

We ask your anointing and guidance for ourselves, our families and our loved ones in living and experiencing our love for each other.

Thank you, Holy Spirit, we love you and promise to do our very best always to keep our heart, soul, and spirit open to you.

Come Holy Spirit, you have a home here in our being.

God Bless You

Amen
