# FAITH ALIVE!

PEACE, FREEDOM AND HEALING MINISTRY  
OUR WAY OF KEEPING IN TOUCH

## **BUILDING AND LIVING, LOVING HEALING COMMUNITY**

They said it couldn't be done!

Since 2008 we prayed and waited, waited and prayed for someone to help us get going again to get our website updated and running again. Now, praise God, we can finally launch and introduce the site and our ministry. We look forward to serving you through the written word, and the wonder of modern technology.

As always, we welcome your thoughts and suggestions for any way we can improve. To help us in this launch we take it as an opportunity to introduce our newest video "BALANCE, GRACE AND GRATITUDE IN PANDEMIC"

There is of course much more to say and do. For now, we will keep it all short and to the point. In the meantime, please know that you have always been and will continue to be in my prayers and masses.

May God bless you and your family with Peace, Love and Joy.

Prayerfully, Fr. Lou

Hear mass daily [if you are able to] It will prosper the whole day. All your duties will be performed the better for it, and your soul will be stronger to bear its daily [PROGRESS.]

St. Peter Julian Eymard (also known as the Saint of the Eucharist)

Remember also: God Has a Plan ( Jeremiah 29:11-14a )

There is an appointed time for everything (Ecclesiastes 3:1-8)
