CELEBRATION #1

God's love and God's power are present in the Holy Eucharist.
That love and power is available to all of us, and it can transform our lives...but does it really?

Do we really live our lives as if the Love and Power of the Eucharist are transforming us, renewing us and healing us?

The celebration of Mass will include an explanation of how Healing is possible during each part of the Mass.

CELEBRATION #2

An Experience of the Healing Power of the Our Father

The gift of growing beyond praying and saying the Our Father, to living THE GRACE, FIRE, POWER & HEALING PRESENCE, in the prayer Jesus himself taught us.

We will experience:

- Moving deeper into our relationship of Divine Intimacy with Our Father
- How to pray the Our Father
- What are the 7 petitions in the Our Father?
- A line by line consideration of the meaning, impact & healing of the Our Father

Jesus teaches us about NEW LIFE by his words. He teaches us to ASK for the NEW LIFE by our prayer. The rightness of our life in him will depend on a rightness of our prayer.
