Healing Your Family Tree

Sometimes difficulties in our lives and their negative, devastating effects may be linked and rooted in some way to our ancestral ties. Behaviors such as violence, abuse, addictions, in addition to some chronic health conditions, could possibly be rooted in family history. We often feel helpless when facing these seemingly uncontrollable problems that can and do wreak havoc in the present and are able to carry their destructive influences in the lives of generations to come.

If you think you are facing adversity in some way due to possible negative ancestral actions in your family tree, come and experience how you and your family can be healed and set free. Fr Lou will convey in easy-to-understand terms, the power of the Eucharist and Christ's love that will bring peace, freedom and healing to yourself and dear loved ones. Time is also provided for completing your genogram and specific prayers for your family.

For those of you who are able to participate in the church, Fr Lou will invite you to bring your genogram and come forward for him to place it on the altar.

For those of you attending via the Livestream, Fr Lou will say a prayer of offering your genogram to the Lord.

The Mass for Healing the Family Tree transforms negative bonds of the past, setting us free now as well as our offspring in the future. In effect...

"We Can Break the Ties That Bind." – Fr Lou

PRAYER FOR HEALING THE FAMILY TREE.

Rev. John H. Hampsch, c.m.f.

Heavenly Father, I come before you as your child, in great need of your help. I have physical health needs, emotional needs, spiritual needs, and interpersonal needs. Many of my problems have been caused by my own failures, neglect and sinfulness, for which I humbly beg your forgiveness, Lord. But I also ask you to forgive the sins of my ancestors whose failures have left their effects on me in the form of unwanted tendencies, behavior patterns, and defects in body, mind and spirit. Heal me, Lord, of all these disorders. PAUSE

With your help I sincerely forgive everyone, especially living or dead members of my family tree, who have directly offended me or my loved ones in any way, or those whose sins have resulted in our present sufferings and disorders. In the name of your divine Son Jesus, and in the power of the Holy Spirit, I ask you, Father, to deliver me and my entire family tree from the influence of the evil one. PAUSE

Free all living and deceased members of my family tree, including those in adoptive relationships, and those in extended family relationships, from every contaminating form of bondage. By your loving concern for us, heavenly Father, and by the shed blood of your Precious Son Jesus, I beg you to extend your blessing to me and all my living and deceased relatives. Heal every negative effect transmitted through all past generations and prevent such negative effects in future generations of my family tree. PAUSE

I symbolically place the cross of Jesus over the head of each person in my family tree, and between each generation. I ask you to let the cleansing blood of Jesus purify the bloodlines in my family lineage. Set your protective angels to encamp around us, and permit Archangel Raphael, the patron of healing, to administer your divine healing power to all of us, even in areas of genetic disability.

Give special power to our family members' guardian angels to heal, protect, guide and encourage each of us in all our needs. Let your healing power be released at this very moment, and let it continue as long as your sovereignty permits.

In our family tree, Lord, replace all bondage with a holy bonding in family love. And let there be an ever-deeper bonding with you, Lord, by the Holy Spirit, to your Son Jesus. Let the family of the Holy Trinity pervade our family with its tender, warm, loving presence, so that our family may recognize and manifest that love in all our relationships. All of our unknown needs we include with this petition that we pray in Jesus' precious name. Amen, Amen and Amen.
