So get your GA, table, and VIP tix before they're gone.

Tix available only at...

SPECIAL BONUS -- FREE RECEPTION BEFORE THE PARTY!

Your Grand Young Party ticket grants you **FREE ADMISSION** to the "Republicans for National Renewal" reception, which will take place at the same venue, and starts at 8:30 PM.

Through this "one ticket--one venue--two events" special offer, you will be able to attend both the GYP and the RNR reception with a single GYP ticket. And since they're both being held in same place, you won't even need to leave one event to get to the next. Simply start your night at the RNR reception, then stick around for five hours of wild partying at the GYP.

This is an incredible value brought to you by our friends at Republicans for National Renewal. Hear from leading conservative office officeholders and superstar candidates during a formal reception from 8:30 PM to 10:00 PM, then get your partaayay on from 10:00 PM to 3:00 AM.
