typically takes 2-3 days for order processing and preparation of your shipment. Hirsh Industries ships Monday-Friday, excluding holidays. Transit times will vary based on final destination. All products ship via select common carrier with shipping terms as FOB Destination prepaid by Hirsh Industries. This includes dock-to-dock of a single shipment to a single location within the 48 contiguous states. Hirsh Industries cannot guarantee exact time of delivery.

- Lift gate/tailgate
- Inside delivery
- Inside delivery is defined as when carrier moves all or part of a shipment to a position beyond the point directly accessible or immediately adjacent to the delivery vehicle.
- In the event that inside delivery and/or lift gate/tailgate are unforeseen, but required to complete the delivery, both the dealer and Hirsh Industries must agree to these services and subsequent invoicing by Hirsh Industries of the charges described above.
- Expediting, re-consignment, re-delivery, delays causing carrier storage
- Delivery times outside of normal business hours including weekends
- Exact, narrow scheduling window (elevator time)
- Non-commercial/residential deliveries
- Extra labor, driver assist, high cost/remote region delivery. The maximum amount of time allowed for off-loading products is 3 hours. Any additional charges associated with extra delivery time or failure to accept a shipment as agreed upon will be the responsibility of the purchaser. Please use caution when planning and communicating delivery requirements so that excessive fees will not be necessary.

FREIGHT DAMAGE CLAIMS

Hirsh Industries’ terms are FOB Destination. Hirsh Industries is not responsible for damage that occurs in transit. All Hirsh Industries’ products are carefully inspected prior to shipment. The carrier signs for all goods received in apparent good order. It is the buyer’s responsibility to inspect goods upon receipt for both apparent and concealed damage. In the instance that damage is found, we ask the purchaser to refuse the damaged portion of the shipment. In the case of documented shipping damage, Hirsh Industries will file a claim with the carrier and issue at no charge any replacement parts or products only if the purchaser meets the following conditions:

- Product is shipped via the Hirsh Industries designated carrier
- Retain packaging
- Inspect the shipment and document damage on the bill of lading
- Contact Hirsh Industries Customer Service immediately upon discovery and documentation of damage

Failure of purchaser to meet these conditions will prevent Hirsh Industries from obtaining carrier reimbursement and thereby require us to charge full price for product replacement. In the case of

concealed damage (damage discovered after acceptance with no bill of lading documentation), Hirsh Industries should be notified immediately upon discovery by calling 1-800-383-7414. Please retain all packaging to allow carrier to inspect. Hirsh Industries liability ceases 15 calendar days after receipt of shipment. Hirsh Industries will investigate on a case-by-case basis and assumes no liability beyond the stated 15 calendar days. If the purchaser specifies their own carrier, they assume full responsibility for any freight claims and replacement orders will be sent out at a charge. The purchaser may make NO deductions under any circumstances ensuing from freight claims when settling invoices with Hirsh Industries.

CLAIM POLICY

It is the purchaser’s responsibility to examine goods upon receipt and to notify Hirsh Industries Customer Service with any concerns. Any claims against Hirsh Industries for apparent defects, errors, or shortages must be made by the purchaser within 15 calendar days after delivery. Failure by the purchaser to make any claim within 15 calendar days will constitute acceptance of the goods and relinquish any apparent defects, errors, or shortages.
