

# Technical Specifications

|  |                |   |
|--|----------------|---|
|   | <b>WARNING</b> |  |
| <p>For safety reasons, we recommend following the basketball hoop manufacturers recommendation for filling the base with suggested materials. Hoop Secure is a supplemental weight solution and is not intended to replace manufacturers recommendation. If a base does not seem secure, do not use or play on an unstable system.</p> |                |   |
