Spring time in

SPRING

checklist

INTERIOR

- Polish wood furniture and dust light fixtures
- Vacuum lint from the dryer vent
- Have a professional inspect and pump the septic tank
- Clean the kitchen exhaust hood and air filter
- Replace the batteries in smoke and carbon monoxide detectors
- Have air-conditioning system serviced
- Inspect sink, shower, and bath caulking for deterioration
- Test (and dust) detectors to ensure they're in good working order

EXTERIOR

- Inspect roofing for missing, loose, or damaged shingles and leaks
- Clean window and door screens.
- Fertilize your lawn
- Repair or replace caulking and weather stripping around windows, doors, and mechanicals
- Remove leaves and debris from gutters and downspouts
- Power-wash windows and siding
- Prune your garden shrubs
- Remove the insulation from outdoor faucets and check sprinkler heads
