

# RWC-Rescue Water Craft

## CREW CHALLENGE

**June 22<sup>nd</sup> 2020**

**SEA BRIGHT, New Jersey**

### Craft Scrutinizing:

The competing wave runner (ski) RWC used must be in the current equipment cache of the competing team's lifeguard service or rescue team. Every RWC must have an attached rescue sled and all mandatory USCG PWC safety equipment.

Inspection list available at:  
[seabrightoceanrescue.com](http://seabrightoceanrescue.com)

**RWC teams must use a different operator for each event.**

### Three Events:

- 1. Surf Rescue** Single heat eliminations, 8 teams, 4 heats
- 2. Tube Rescue** Bottom two elimination, four teams, 2 heats
- 3. Mass Rescue** Top 2 ranking, two teams, final heat

**REGISTRATION** is limited 8 lifeguard RWC teams or ARRT teams from within the USLA Mid-Atlantic Region. Technical rescue teams from NYC including FDNY and NYPD ESU have been invited to compete.

**FIRST COME FIRST, FIRST REGISTRATION**

### Mandatory Safety Measures

**RWC operator:** must wear PFD, helmet and fins on belt

**Rescue Swimmer:** must wear fins and use Peterson tube

**ALL RESCUE WATERCRAFT:** must pass scrutinizing (similar to a USCG Inspection)
