

# Pet Profile

Date \_\_\_\_\_

Pet's Name	<input type="text"/>	DOB/age	<input type="text"/>	Sex	<input type="text"/>
Breed	<input type="text"/>	Color	<input type="text"/>	Weight	<input type="text"/>
Fixed Y/N	<input type="text"/>	Microchip #	<input type="text"/>	Distinct Markings	<input type="text"/>

## Vaccinations

We do not require any vaccinations for boarding, we leave that decision up to the owners. We do however, require that if Bordetella (kennel cough) is given, it must be administered at least **10 days prior** to your first day of stay with us. We do request a copy of their vaccination records to keep on file if any veterinary care should arise. Please email copy of vaccinations to **bigearsboarding@gmail.com** with Pet's name & dates of stay.  
 Flea & Tick prevention is recommended from April - October.

## Care Information

Feeding Amounts	<input type="text"/>
Any issues with feeding?	<input type="text"/>
Food Allergies	<input type="text"/>
Medications/ Times	<input type="text"/>
Potty trained?	<input type="text"/>
Behavioral Issues?	<input type="text"/>
