Dear

We are excited to share that we are planning our best annual gala yet! This past year has shown us just how precious a home can be. For most of us, home is a place of love, warmth, and comfort. It is somewhere that you know you will be surrounded by care and support, and a nice little break from the business of the real world. But for millions of others, home is anything but a sanctuary. In fact, 1 in 4 women will experience domestic violence in their lifetime and 15.5 million children are living in violent homes.

Thanks to generous donations to the silent auction at our annual fundraiser, Home is Where the Heart Is, The Haven has provided 117 families with a safe refuge from the daily horror of living in violent homes. In addition, 341 families were provided with crisis intervention, counseling, legal and medical advocacy, and safe transition to violence free-living.

Our 2024 event will take place on Saturday, March 23, 2024, and we humbly ask that you help us support victims of violence by providing an item, or an experience (e.g., sporting event tickets, hunting or fishing excursions, spa and/or self-care day) for the silent auction.

Money raised by the silent auction is a vital source of funding that ensures a place of safety for abused women and children. Your generosity ensures that we continue to be at the forefront of providing hope and a better way of life to those plagued by violence.

On behalf of the staff, Board of Directors, women and children served by The Haven, I want to thank you in advance for joining us in our mission to empower survivors of violence to live safe independent violence free lives.

All donations will be appropriately acknowledged during the silent auction. For additional ways to get involved with the event please visit our website at www.havenhelps.org.

Sincerely,

Julie M. Pellegrin
