

ALPHA SIGMA PHI FRATERNITY
to BETTER the MAN.

CARMEL – Alpha Sigma Phi International Fraternity is thrilled to announce its Fall 2024 Growth efforts at four prestigious institutions: The University of North Carolina at Chapel Hill, The University of Cincinnati, The University of Minnesota, and California State University, Stanislaus. These growth efforts represent a noteworthy milestone in our Fraternity's persistent growth and dedication to providing a values-driven brotherhood experience for life.

The University of North Carolina at Chapel Hill:

The Eta Kappa Chapter of Alpha Sigma Phi will return to the illustrious campus in Chapel Hill this Fall. With a record of accomplishment, quality academics and superior brotherhood, Alpha Sig is looking forward to re-joining the community at UNC-Chapel Hill, while providing values-based development for our members. As we welcome a new generation of Alpha Sigs into the Eta Kappa Chapter of Alpha Sigma Phi, we are committed to fostering a standard of excellence.

California State University, Stanislaus:

CSU Stanislaus will be housed under the designation, Lambda Alpha, becoming our first Lambda Chapter. Known for its Personalized Learning Environment, Diversity, Equity, and Inclusion Efforts, and Beautiful Campus, Alpha Sig is excited to welcome even more exceptional young men into our brotherhood. Together we will recruit and uphold the values of Alpha Sigma Phi to make an impact in Turlock, California, and beyond.

University of Cincinnati:

Nestled in the heart of Cincinnati, the Beta Sigma Chapter of Alpha Sig will be undergoing redevelopment efforts to find values-driven young men to join our fraternity. Priding itself on Academic Excellence, Well-Rounded Athletics, and Leadership Development, Cincinnati is one of the leading Universities in the Midwest. We are excited to bring a new era of Alpha Sigs to the University of Cincinnati to perpetuate the values of Silence, Charity, Purity, Honor, and Patriotism.

University of Minnesota:

The Rho Chapter of Alpha Sigma Phi is poised to redevelop its presence at the University of Minnesota. Organizing over 105 years ago at the University of Minnesota, Alpha Sigma Phi has enjoyed a storied history in the "Twin Cities." We are thrilled to usher in a new era of Alpha Sigma Phi that will set a standard on campus and beyond.

These projects are an electrifying opportunity for Alpha Sigma Phi to continue building a better world through better men. As always, we are grateful for the support of our undergraduates, alumni, and partners.

To ensure success as we embark on these exciting projects, we need to create a stable foundation of staff effort.
