ETA XI HOLDS SUCCESSFUL VIRTUAL CAREER EVENT

The Eta Xi Chapter at UC-Colorado Springs hosted its first virtual alumni career night. The wildly successful event drew nearly 80 alumni and undergraduates to join. In an Instagram post from the Chapter’s account, they wrote: “It was a great way to network. Huge thank you to all of our alumni that gave their time to us tonight, this was an extremely beneficial event to our brothers. We would love to do it again in the future!” Alpha Sigma Phi encourages other chapters to arrange similar events, as it helps address the number one student interest according to our Membership Survey; Networking.
