THE JOB DESCRIPTION

Once you've reviewed the job description of the VP of Retention, list the three responsibilities you think are the most important to the success of your chapter. Then, list the three responsibilities you think are least important.

MOST IMPORTANT	LEAST IMPORTANT

WHAT ARE SOME THINGS EXPECTED OF THE VP OF RETENTION IN YOUR CHAPTER?

BROTHERHOOD ASSESSMENT

On a scale of 1 (not likely at all) to 7 (extremely likely), rate your chapter/provisional chapter's brotherhood.

RETENTION

Members in my chapter remain engaged all the way until graduation.

VULNERABILITY

All brothers feel comfortable holding deep, emotional conversations around one another.

BELONGING

Individual identities are honored and celebrated by the chapter's identity.

ACCOUNTABILITY

Members feel comfortable confronting other brothers to hold them accountable to their words/oath.

rites of passage

My chapter has meaningful rites of passage that do not including hazing.

TIME TOGETHER

My chapter hosts a brotherhood event (not a chapter meeting) at least once/week.

SHARED VISION

Our chapter has a shared vision of who we want to be and what we hope to accomplish in a given year.

BUILDING BROTHERHOOD

Use the space to the right to recall the three most successful brotherhood events during your time in the chapter. Elaborate on why you thought each event was a success. Hopefully, these past events will pave the way for your chapter's upcoming brotherhood events.

VIRTUAL BROTHERHOOD - NEW IDEAS

Brainstorm three new virtual brotherhood event ideas. As you write your ideas down, consider the following: What challenges would you have implementing this idea? Why do you think it would be successful? What makes it different/unique? How could it strengthen your brotherhood?

ENGAGEMENT

In the space below, document ways your chapter keeps its members engaged throughout the year, outside of brotherhood events. Be prepared to share some of your tactics with the rest of your society.

RETENTION

In the space below, document the top reasons you feel your chapter does not retain members.

What does your chapter have in place to intentionally retain members? How does your position contribute?

ROLE IN RECRUITMENT

In the space below, brainstorm ways you can ensure your brotherhood is effectively promoted during recruitment to potential new members.

BEFORE & CONTINUING RECRUITMENT

List what you currently do and what you could start doing with the VP of Growth to maintain recruitment momentum.

HEALTH & SAFETY GUIDELINES

Take a few moments to read through Alpha Sigma Phi's Health & Safety Guidelines. Document 1-3 guidelines at the bottom of the page that you think your chapter struggles with the most.

The Health and Safety Guidelines of Alpha Sigma Phi Fraternity includes the provisions which follow and shall apply to all fraternity entities and all levels of fraternity membership.

HAZING

No chapter, provisional chapter, student, or alumnus shall conduct nor condone hazing activities. Permission or approval by a person being hazed is not a defense.

Hazing activities are defined as any action taken or situation created, intentionally, whether on or off fraternity premises, to produce mental or physical discomfort, embarrassment, harassment, or ridicule. Such activities may include but are not limited to the following:

- Use of alcohol, including drinking games;
- Paddling in any form;
- Creation of excessive fatigue;
- Physical and psychological shocks; quests, treasure hunts, scavenger hunts, road trips or any other such activities carried on outside or inside the confines of the chapter house;
- Wearing of public apparel which is conspicuous and not normally in good taste;
- Engaging in public stunts and buffoonery;
- Morally degrading or humiliating games and activities;
- and any other activities which are not consistent with academic achievement, fraternal law, ritual or policy, or the regulations and policies of the educational institution, or applicable state law.

The Membership Orientation Program shall be executed by the Vice President of Membership Enrichment. If the Chapter chooses to have other Brothers participate, the President and Membership Enrichment Advisor must approve all activities. All events shall take place between 10:00 a.m. and 10:00 p.m.

ALCOHOL & DRUGS

In any activity or event sponsored or endorsed by the chapter, including those that occur on or off organizational/chapter premises:

- The chapter, members and guests must comply with all federal, state, provincial and local laws. No person under the legal drinking age may possess, consume, provide or be provided alcoholic beverages.
- Alcoholic beverages must either be:
 - Provided and sold on a per-drink basis by a licensed and insured third-party vendor (e.g., restaurant, bar, caterer, etc.); or
 - Brought by individual members and guests through a bring your own beverage ("BYOB") system.
- Alcoholic beverages that contain greater than 15% alcohol by volume (or 30 proof) are prohibited, including, but not limited to any hard alcohol.
- Common sources of alcohol, including bulk quantities, which are not being served by a licensed and insured third party vendor, are prohibited (i.e., amounts of alcohol greater than what a reasonable person should consume over the duration of an event).

- Attendance by non-members at any event where alcohol is present must be by invitation only. Events must be limited to a guest-to-member ratio of no more than 3:1 for events with alcohol, provided that no event may exceed fire code. At least 50% of Prudential Board members must be present at any event with alcohol, with required presence by the Chapter President and/or the Vice President of Standards.
- Alcoholic beverages must not be purchased with chapter funds or funds pooled by members or guests (e.g., admission fees, cover fees, collecting funds through digital apps, etc.).
- Any event or activity related to the new member joining process (e.g., recruitment, rush, etc.) must be substance free. No alcohol or drugs may be present if the event or activity is related to new member activities, meetings, or initiation into an organization, including but not limited to "bid night," "big/little" events or activities, "family" events or activities, and any ritual or ceremony.
- The chapter, members or guests must not permit, encourage, coerce, glorify or participate in any activities involving the rapid consumption of alcohol, such as drinking games.
- A chapter must not co-host or co-sponsor, or in any way participate in, an activity or event with an other group or entity that purchases or provides alcohol. A chapter must not co-host or co-sponsor an event with a bar, event promoter, or alcohol distributor; however, a chapter may rent a bar, restaurant, or other licensed and insured third-party vendor to host a chapter event.
- The chapter, members and guests must follow the federal law regarding illegal drugs and controlled substances. No person may possess, use, provide, distribute, sell, and/or manufacture illegal drugs or other controlled substances while on chapter premises or at any activity or event sponsored or endorsed by the chapter.

SEXUAL ABUSE & HARASSMENT

The Fraternity will not tolerate or condone any form of sexist or sexually abusive behavior on the part of its members, whether physical, mental or emotional. This is to include any actions, activities, or events, whether on chapter premises or an off-site location which are demeaning to women or men, including but not limited to verbal harassment, sexual assault by individuals or members acting together. The employment or use of strippers, exotic dancers, or similar, whether professional or amateur, at a fraternity event as defined in this policy is prohibited.

FIRE. HEALTH & SAFETY

- All chapter houses should meet all local fire and health codes and standards.
- All chapters should have posted emergency numbers for fire, police, and ambulance and should have posted evacuation routes on the back of the door of each sleeping room.
- All chapters should comply with engineering recommendations as reported by the insurance company or municipal authorities.
- The possession and/or use of firearms or explosive or incendiary devices of any kind within the confines and premises of the chapter house are expressly forbidden.

MOST LIKELY TO GO WRONG & BEING PROACTIVE

With your small group, choose one of the following events. Then, come up with what is most likely to go wrong from a health and safety standpoint. Finally, brainstorm how you, as the VP of Retention, can be proactive in preventing these things from happening.
