CALL 911, SAVE A LIFE!

content courtesy of

CRISIS MANAGEMENT PROTOCOL

- 1** *If anyone has been injured or is in danger of loss of life, call 911.*
- 2** *If it is a life or death emergency, contact your Chapter Advisor and the Fraternity Emergency Line (317-843-1911) immediately after calling 911 . Otherwise, contact them the next business day.*
- 3** *Complete an Incident Report with the Fraternity.*
- 4** *Cooperate with appropriate authorities and campus officials.*
- 5** *The Chapter President is the only officer that may speak to media. Do not discuss details of the incident with any individuals outside of the Fraternity.*
- 6** *Do not tamper with evidence.*
