It first appeared in November 1847 at Yale University and continued until the University suspended it in 1852. Since its revival in April 1909, it has been continuously published.

The Tomahawk seeks to reflect the Vision and Purpose of Alpha Sigma Phi by presenting news of active chapters, affiliate organizations, individual members and the Fraternity; by addressing current issues facing the Greek community and our Fraternity; by educating and entertaining those interested in the welfare of Alpha Sigma Phi Fraternity and by serving as a historical record.

Alpha Sigma Phi Fraternity, Inc., was founded at Yale University in 1845 and currently recognizes 180 chapters, provisional chapters and interest groups across the world. The Fraternity aims to provide values-driven brotherhood experiences through life.

A DIVE INTO ALPHA SIGMA PHI'S DIVERSITY AND INCLUSIVE PRACTICES

A BROTHERHOOD *Endeavor*

Alpha Sigma Phi, since its founding in 1845, has committed itself to a core set of ideals that are meant to build and equip its members to better their communities. The outward focus of Alpha Sigma Phi to meet an ever-changing society has resulted in countless opportunities to lead, serve and make an impact. Parallel to this endeavor has been significant growth in the quantity and quality of undergraduate brothers, alumni and chapters. Our tremendous growth has created an opportunity for us to look inward and consider the importance of belonging and brotherhood. What was once a homogenous brotherhood of members that mostly looked the same has broadened to an assortment of identities, perspectives, worldviews and orientations. If we are to Better the World through Better Men, then our current reality beckons us to make sure our chapters fit...for all.

In Fall 2020, President and Chief Executive Officer Gordy Heminger, charged the Board of Advisors with the task of convening brothers from throughout the Fraternity to consider and review the state of diversity and inclusion. Board of Advisors Chair, Byron Hughes and Grand Junior President, Jason Nolen-Doerr, invited a group of undergraduate brothers, alumni brothers and Fraternity friends to engage in a six-month exploratory endeavor. A committee was formed with the important charge of creating a roadmap for the Fraternity to reach its goals as reflected in the 2025 Strategic Plan. With the assistance of Senior Director of Strategic Initiatives, Tabatha Sarco, a 15-member committee was identified and invited to participate.

The Committee operated under three main focuses:

- ★ EDUCATION
- ★ ACCESSIBILITY
- ★ DEVELOPING ANTI-RACIST PRACTICES

The Committee made the following recommendations:

- ★ REVIEW OF INTERNATIONAL BYLAWS AND POSITION STATEMENTS.
- ★ ENHANCEMENT OF THE MEMBERSHIP ORIENTATION PROGRAM.
- ★ DEVELOP OFFICER TRAINING TO INCLUDE INCLUSIVITY.
- ★ INCORPORATE TRAINING FOR ALL MEMBERS.
- ★ REVIEW AND IMPLEMENT TRAINING PRACTICES FOR GOVERNING BOARDS/ STAFF.
- ★ CREATE A NEW OFFICER POSITION.
- ★ ACCOUNTABILITY MEASURES TO ENSURE PRACTICES AND INITIATIVES ARE PRIORITIZED.
- ★ CREATE NEW FRATERNITY STAFF ROLE WITHIN STRATEGIC INITIATIVES

- ★ CONTINUE TO DIVERSIFY GOVERNING BOARDS AND STAFF.
- ★ STRENGTHEN THE PHYSICAL ACCESSIBILITY OF CLVEN PROPERTIES.
- ★ PARTNER WITH UNDERREPRESENTED/ UNDERSERVED COMMUNITIES TO STRENGTHEN OUR BETTER MAN PATHWAY.
- ★ DEVELOP ALLIANCE WITH CAMPUS OFFICES.
- ★ RESOURCE ACCESSIBILITY IN ALL CHAPTER FUNCTIONS.
- ★ DETERMINE HOW OUR PAST CAN INFORM OUR FUTURE.
- ★ IMPLEMENT CHAPTER CLIMATE SURVEYS.
- ★ PERFORM ALPHA SIGMA PHI SYSTEM AUDIT.
- ★ PROVIDE ONGOING TRAINING AND EDUCATION TO FRATERNITY VOLUNTEERS.

While the full list of recommendations, areas of impact, and barriers to success outline the action steps discovered by the Committee, the summary of findings provides the context for those recommendations. Throughout its work, the Committee found that there are continued opportunities to improve the data collected by Alpha Sigma Phi in an effort to fully understand the demographics of our membership. Additionally, through the experiences shared by members of the organization, there are clear opportunities to develop educational programming and create dialogues across the different identities of our members. Specifically, we must be willing to explore the history of the organization and how that history shapes our ability to progress. Finally, when considering the member experience, we can enhance our understanding of how individual identities impact member retention throughout the life of the member. These core findings are embodied within the recommendations below as the Committee sought to provide actionable steps for the future development of Alpha Sigma Phi.

FOUNDERS DAY

Challenge

176 SIG
& the 176 hours of giving
11.29 - 12.6

Alpha Sigma Phi turns 176 years old on December 6, 2021. In honor of our Founders Day every year, the Foundation, in conjunction with the Fraternity, runs the Founders Day Challenge, Alpha Sigma Phi's annual and primary fundraising vehicle. For years, the Founders Day Challenge has been more than just a fundraiser. In 2016, chapter vs. chapter competitions were introduced. Five years later, this annual competition has evolved into a staple at the end of each calendar year for many alumni. Some chapters have dominated (i.e. Eta/Illinois and Epsilon Chi/Capital) and are establishing a reputation as strong contenders year-after-year. But every year brings new contenders who want to taste success and earn even more money for their chapter endowment and their undergraduate brothers. We hope you get involved in this year's Founders Day Challenge. Over the next few pages, we explain this year's competition and define the impact your gift can make for the next generation of Alpha Sigs.

FOUNDERS DAY CHALLENGE

Alpha Sigma Phi’s Founders Day Challenge is the Fraternity’s primary fundraising campaign. Annually, the Founders Day Challenge raises funds to support our educational programming and scholarship efforts to directly benefit our undergraduate members. Over the years, the Founders Day Challenge has allowed Alpha Sigma Phi to provide its members exclusive access to our award-winning summer events and officer training at industry-low costs.

Alpha Sigma Phi strives to continuously raise more funds during the Founders Day Challenge than the year before, and since its inception in the early 2010’s, we’ve done just that. Our chapter vs. chapter competition has made giving to the Founders Day Challenge fun and exciting for our donors, as their chapters fight for the title as Division Champion and additional cash prizes toward their chapter endowments each year.

Here’s a look at the Founders Day Challenge over the past five campaigns:

ALEC BEREST, UC-COLORADO SPRINGS '18

His nominator said: *"He is one of the most dynamic students I've been privileged to work alongside in my professional career. He is well respected and known throughout the Greek community and within the administration. He is a born leader with a passion to do well. I believe his experience, coupled with his drive for knowledge and passion, will continue to energize his career and allow him to be a large contributor in the greater society for years to come."*

JOHN BISSMAN, CINCINNATI '16

His nominator said: *"As I reflect on the accomplishments of the chapter in its four short years on campus, I recognize his embodiment of the values and Purpose of Alpha Sigma Phi, his commitment to growth, and his passionate leadership as driving forces behind its progress. I can think of no better way to solidify his legacy than to be honored with the achievement of membership in the Undergraduate Hall of Fame."*

KEVIN FINKLER, NEVADA '17

His nominator said: *"While he was very successful in his academics and in his leadership position in the fraternity, he was also able to be a great friend. I was able to spend tremendous amounts of time with him as I served on the Prudential Board and the friendship that was formed was second to none. He is the type of friend that is there for you no matter what, if you need something or if you're in a tough spot in life he would drop everything to be there and help you."*

KADE GAMBILL, MURRAY STATE '18

His nominator said: *"He holds himself to the same standard that he holds his brothers to and is evident by the way he is involved in all aspects of the fraternity. He truly is a young man who leads by example. No member in Delta Tau would ever question his values and his care for living our ritual because they can see it in his everyday life. His genuine care for his brothers is what makes him a remarkable leader."*

NOAH KOSTICK, BALDWIN WALLACE '17

His nominator said: *"I wouldn't be where I am today without him. If it weren't for him, I would never have been a Prudential Board member, I would have never become Chapter President, and I would not have been able to make it through my term without his help and knowledge. I can't say enough about what he means to us at Baldwin Wallace."*

JACK MCKENZIE, KANSAS STATE '18

His nominator said: *“He is the example of fraternity and Alpha Sigma Phi done right that we wish to see in every chapter and on every campus. He truly bettered the men of Iota Pi and through that, built an environment that will continue to develop intelligent, charitable, and honest men who live their lives intertwined with the values of the Old Gal.”*

DANIEL MINK, MOREHEAD STATE '17

His nominator said: *“He has been a fixture in the campus community and spends much of his time volunteering and spending time in a wide range of campus organizations. He has maintained an outstanding GPA in an extremely competitive major and will soon be beginning medical school and achieving his goal of becoming a physician. This is a man who has truly embraced our mission “To Better the Man.”*

BRENDEN NOBLITT, OKLAHOMA STATE '18

His nominator said: *“Under his direction, I have witnessed the development and fraternal growth of the chapter at Oklahoma State. In my opinion, this is due to the leadership he exhibited as a thoughtful and skillful leader both to his Prudential Board and the membership of the organization.”*

MEL THOMAS, MARSHALL '18

His nominator said: *“His quiet confidence and his fearless approach to each situation he faces is impressive. His faith and how he and the chapter would handle a situation never wavered. He always was the first person at an event and the last one to go home.”*

JOSH VAUGHN, UNC-CHARLOTTE '17

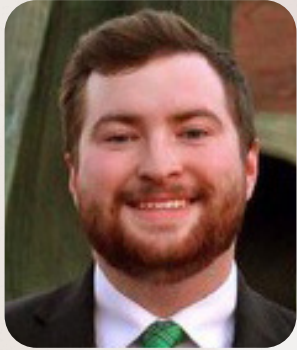

His nominator said: *“His multi-dimensional background in leadership, growth, volunteerism, academia, and philanthropy is the personification of bettering the man.”*

On campus, he served as an SGA Senator, SGA Chief of Staff, President of Order of Omega, and a resident assistant. He was awarded Mr. Marshall in 2018 and inducted into the Alpha Sigma Phi Undergraduate Hall of Fame in 2020.

FUNDED SCHOLARSHIP RECIPIENTS

CHAD FRICK, CLEMSON '19

This fund was established as a memorial for the late Zachary C. Stoltz, Epsilon Upsilon '09, by his family. The scholarship is for the benefit of undergraduate members from the Epsilon Upsilon (Clemson University) Chapter.

JACK LOUB, PURDUE '20

This fund was established in honor of Brother Huber who initiated at the Theta Chapter of Alpha Sigma Phi at the University of Michigan in 1922. This fund was established to provide scholarships, computer hardware, and educational materials to brothers aspiring to work in the medical field.

DANIEL BAKER, OHIO WESLEYAN '20

This fund established three scholarships for members of the Epsilon (Ohio Wesleyan University) Chapter; the Ralph F. Burns Memorial Scholarship, the B.O.S.S Scholarship, and the 1863 Award. Although maintained by the Alpha Sigma Phi Foundation, all three scholarship recipients are selected by the Epsilon Alumni Association.

RUDY KURUP, CONNECTICUT '18

John Lyon, Radford '87 is a former chapter president of the Delta Theta Chapter and is the 1989 Frank F. Hargear recipient – the Fraternity's highest undergraduate award – and a 2009 Delta Beta Xi recipient. He understands better than others the impact our Fraternity can have on making good men Better Men, which is why he wanted to establish this scholarship fund.

LOGAN CHANG, ARIZONA STATE '19

This fund was established by Drew M. Thawley, Epsilon '94, and Bradford G. Thawley, Epsilon '08 as a tribute to Philip M. Thawley, Epsilon '04, Omega '08. The scholarship will support need-based academic scholarships for qualifying undergraduate brothers who are a legacy of another brother. (For this Fund's purposes, 'legacy' is defined as the grandson, son, or brother of an Alpha Sig from any chapter).

DESHANE SHORT, LONGWOOD '20

This fund was established to provide need-based scholarships for brothers who identify as gay, bisexual, or transgender and to highlight the inclusiveness of the Alpha Sigma Phi brotherhood.

DR. OTTO L. SONDER CHAPTER ADVISOR OF THE YEAR

TYLER GAU, MIAMI-OH '11

His nominator said: *“Brother Gau’s encouragement and volunteerism highlighted an enthusiasm for Alpha Sig that made me want to reach for more. He doesn’t know this, but his love and passion for the Fraternity is a huge reason why I am in the position I am today. Not only is he our Chapter Advisor, but he is a coach, a mentor, our number one fan, and -most importantly- a friend to all of us. He is shining example of what it looks like to give back to the Fraternity.”*

PHILIPPI-HUGHES AWARD OF DISTINCTION

ALEX ZERNEHEL, FSA // UNIVERSITY OF TOLEDO

His nominator said: *“Alex is a prime example of someone who is trying to change the image of Greek life for the better and trying to show what they truly stand for. His overall goal is clear; to better young individuals so that they can create a better tomorrow for us all. Without Alex, I personally would not be having the success I am as president and I would not be able to create the best image of our chapter I possibly could. To Alex, I would just like to say thank you for everything you have done for our chapter and community.”*

DELTA BETA XI AWARD & KEY

This award is presented for sustained alumni service to the Fraternity, generally for more than ten years. While potential criteria for the award are as varied as our brotherhood, general criteria include years of service, type of service, and significant achievements.

In 1938, the special award of Delta Beta Xi was created by the Grand Council to honor those men who have given outstanding service to the Fraternity; 100 brothers were selected when the award was created.

This unusual and single honor recalls the period from 1864 to 1875 when members of Delta Beta Xi secretly pledged their allegiance to Alpha Sigma Phi. Their courage kept the traditions of the Fraternity alive despite a faculty ban on the organization.

Congratulations to the following brothers for being awarded the Delta Beta Xi Award & Key for their commitment to the Old Gal.

All entities have standard bearers for success. The NBA has Michael Jordan. The NFL has Tom Brady. MTV's "The Challenge" has Johnny Bananas. College Football has Nick Saban.

For success in chapter operations, Alpha Sigma Phi has the Delta Tau Chapter at Murray State. For the eighth time in 27 years, the Grand Senior President's Cup will call Murray State University its home.

"It's the best feeling as an undergraduate you can get," said Hayden Jaco, Delta Tau Chapter President. "It's a moment I'll never forget."

Jaco, a rising senior, was just part of Delta Tau's third consecutive Grand Senior President's Cup win. The Chapter watched the Fraternity's Awards Ceremony with a group of potential new members at their "What Is?" Night, where they host a formal occasion highlighting who they are as a Chapter and what separates them from other groups on campus.

Recruitment, coincidentally, was the Chapter's main focus for the year. Jaco called recruitment "the lifeblood" of the organization.

"We knew due to COVID, Greek numbers would likely decrease. We realized recruitment would be most important, he said. "We got 25 new members, which was our largest class ever. We had the mindset of the only way we can win GSP is through recruitment."

While the Prudential Board files the annual report on behalf of the Chapter, Jaco said this is a Chapter award, which includes all undergraduate brothers, alumni and advisors. The alumni and advisors state that consistency is the biggest reason for the continued success of the Chapter.

"I think the GSP is always a byproduct. We come into the year trying to have the best chapter on campus," said Cole Reichert, Delta Tau Alumni Association President. "That means a lot of different things. The award itself is a byproduct of consistency."

The Chapter seeks to provide an all-around experience to undergraduates, stressing a focus on all aspects of what makes a successful Chapter: academics, community service, philanthropy, brotherhood and recruitment.

"It is a testament to all the hard work all the guys before me put in," Reichert said. "To see such a young Chapter have consistency and growth is pretty special. It shows our guidance and leadership is paying off."

Unsurprising to all members of Delta Tau, Michael Young, Murray State '94, has become synonymous with the Chapter and is a big reason for the success the chapter has had due to his consistent presence and coaching.

"Mike Young is an obvious answer as to why we've seen so much success," Jaco said. "He's our rock. He lets us govern ourselves, but we always go to him for guidance and wisdom."

That guidance and wisdom has set a foundation of support for the Chapter, where all undergraduates seek to leave a foundation for those who come after.

“To whom much is given, much is expected,” Young said. “These guys have been given an opportunity to be a part of an organization that strives to be the best that it can be. In a Greek World, it takes a lot of people to make that happen. For this eighth award, the Presidents and past officers certainly played a role in that. So too did the past officers before them and the ones before that. These guys are fortunate to have a village to have those expectations on them.”

Those expectations allow for the undergraduates to have a foundation of what they need to do on a yearly basis. They know how to provide a good undergraduate experience.

“Throughout my time in the Chapter, it’s not so much that you win the GSP,” Young said. “It’s the fact that when you go to these conventions, you’re thinking you have the chance to win it. It means you’re providing a quality Greek Life experience for these men.”

The guidance and coaching Young has provided the men of Delta Tau has not gone unnoticed, with the Chapter naming its Chapter Endowment after him. The **Michael E. Young Endowment** funds will be used for scholarships and for the Chapter to assist with covering the cost of attendance to Fraternity leadership conferences.

DELTA TAU // MURRAY STATE
EST. 1994

“I kind of felt a little weird at first, but I feel honored and blessed,” Young said. “I believe in the value of what a Fraternity done the right way can do for a young man. If I can further that in any way, I’m honored to do so. My advising time is coming to a close, but I’m really excited about the fact they had an opportunity to keep the dream alive.”

Young said he’s enjoyed his experience coaching the young men of the Chapter and developing new leaders. He’s always had a passion for coaching.

“They’ve been a blessing to me,” he said with a laugh. “I had two daughters and no sons. I have a bunch of them now!”

Expectations for Delta Tau couldn’t be higher, but the men of Delta Tau continue to exceed them. In addition to their success in providing a well-rounded college experience and winning cups, the undergraduates of the Chapter are taking to heart their mission of leaving a better Chapter than when they entered.

For the second consecutive year, in a unanimous vote, the Chapter agreed to donate \$20 per 82 members to the Michael E. Young Endowment, which will fund the 12-ticket package for the group to attend Grand Chapter in New Orleans in July 2022. So far, 19 men have expressed interest in attending the event.

“They came to us last year with that idea. Based on my experience, we had trouble talking about \$10 T-Shirts,” Reichert said. “It is humbling and inspiring. They don’t have a whole lot to their name. This means the Chapter sees importance in its mission.”

Additionally, the **25x25 Campaign** is a call to action for all Delta Tau alumni. The goal is for 25% of its alumni base to be donating \$10 per month by 2025.

The money donated would be going to the Michael E. Young Foundation to assist with scholarships for undergraduates and to assist with the cost of attending Fraternity leadership programs.

Great things are happening for a great chapter. These men are exemplary Alpha Sigs. Let’s see what extraordinary things they do next.

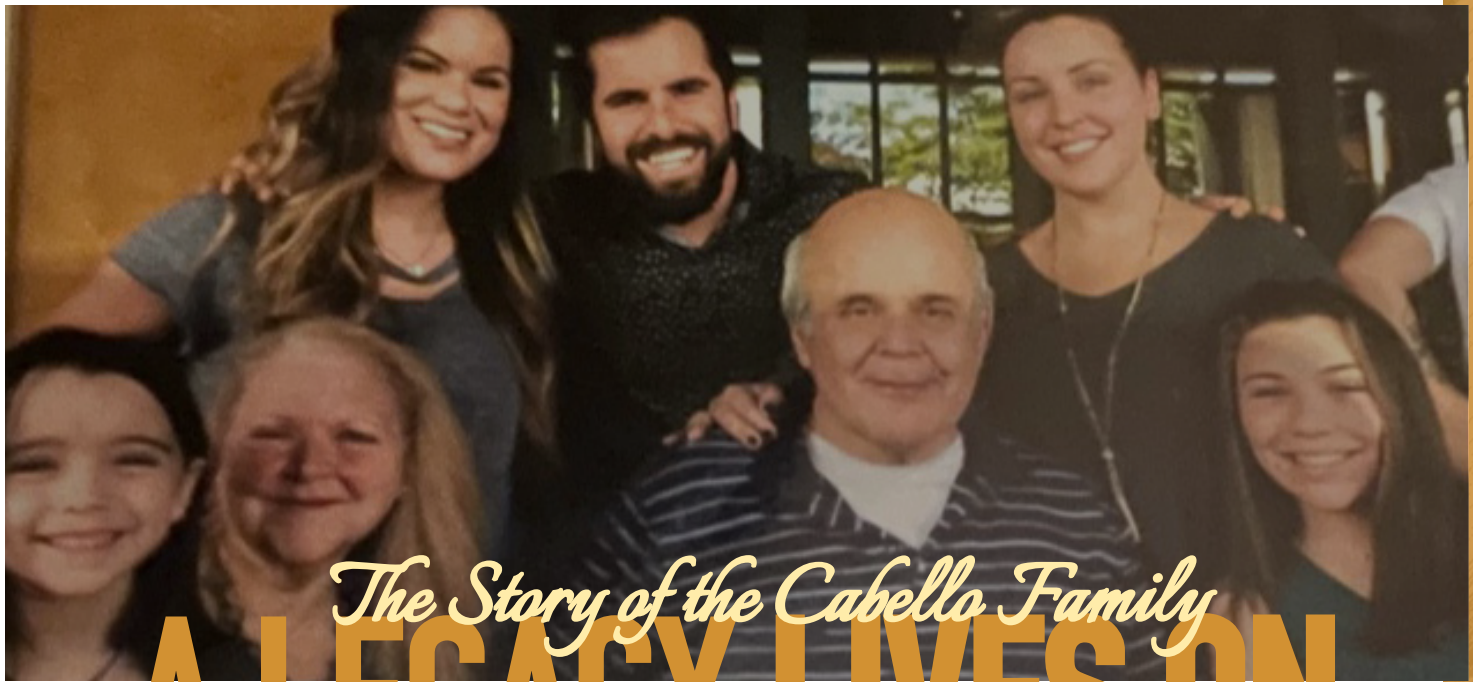

HOUSING FOR ALPHA SIGS

Alpha Sigma Phi’s housing entity, CLVEN Housing Corp. has evolved rapidly over the last few years. With recent acquisitions of housing at Akron, Cornell, Ohio State and Hartwick, CLVEN now owns or operates 44 properties across the United States and house more than 1,000 undergraduate men.

The Story of the Cabello Family **A LEGACY LIVES ON**

For the Cabello family, Alpha Sigma Phi is more than a way of life. It's the common denominator for so many memories, the foundation of so many friendships and the basis upon the values acquired and demonstrated over a lifetime. Alpha Sigma Phi runs in the Cabellos.

Bob Cabello, Eastern Michigan '70, passed into the Omega Chapter on July 20, 2021. His contributions to the Old Gal were unparalleled. He was a multi-award winning brother, honored in 1985 with the Delta Beta Xi Award and Key and, in 2003, with the Evin C. Varner Distinguished Service Award.

At a local level, Brother Cabello served as the Grand Chapter Advisor of the Gamma Theta Chapter at the University of Miami from 1998-06.

Nationally, he began his services as Grand Marshal (1988-90), then as Grand Secretary (1990-92), a second term as Grand Marshal (1994-1996), a second term as Grand Secretary (1996-98), then finally back-to-back terms as Grand Junior President (1998-02). Most recently, Brother Cabello served as House Director for the Alpha Theta Chapter at the University of Missouri from 2019-21.

Once Brother Cabello passed away, the House Director position was vacant. Bob's beloved wife, Pat Cabello, was asked by the Chapter to take the reigns.

"Bob viewed this Chapter as his Legacy," she said. "So, I was honored to accept the position as House Director of this amazing chapter. I can't express enough how excited I am to watch it grow."

Pat explained the roots of the Fraternity within their family, which explains why it was so important to remain involved with the men of the Alpha Theta Chapter.

"Because of Alpha Sigma Phi, Bob grew up Greek," Pat said. "This fraternity was in his blood. He reignited both my father's & my uncle's involvement, as they too were Alpha Sigs."

The legacy of the Cabellos didn't stop there, however.

"At six weeks old, our son, Rob, attended his first convention in August 1986," Pat said. Bob nurtured and instilled the values in our son that this Fraternity imparted to him; and he couldn't have been prouder."

REMEMBERING BOB CABELLO

ROBERT CABELLO III, SOUTH FLORIDA '14

"As we sit mourning the loss of a father, husband and brother, I can say with the utmost confidence the lives he touched will carry on through generations. I can not begin to tell all the stories we experienced together at Alpha Sig, or the deep love he had for his brothers and the purpose of Alpha Sigma Phi. His drive to Better the Man seeped into every action he took, as he dedicated his life to the service of others, ensuring firm footing and a clear path were always present. Growing up with Alpha Sig in my veins, I experienced time and time again what it meant to Better the World through a Better Man.... A fierce legacy of brotherhood my father so generously brought me into. It's an honor to lift his flag. I might not have met you, but we are all connected. From the Cabello family to each of you, thank you... from the bottom of our hearts. On behalf of my AMAZING father, the best man I knew, "until next time, I love you all."

JON HEYBOER, GRAND VALLEY '96

"Bob was one of the first to embrace Grand Valley at the conference in 1994 when a bunch of young "Lakers" went to Chicago. Through the years, Bob and I stayed Facebook friends, but always appreciating each others' lives and our families from a far. You will be missed, Brother."

JOSH McNEECE, MISSOURI VALLEY '14

"Bob was very proud of the work the men (at Alpha Theta) were doing. They were, and still are, making great progress on their house. He made it well known of their hard work. He was a great visionary and wise brother. He was well-versed in Alpha Sig history. He was very soft spoken, but when it was his turn to speak, he gave the best advice and everyone listened. He will be dearly missed!"

KEVIN GARVEY, WESTMINSTER '75

"We have lost a great Brother. I was honored to have served with Bob on the Grand Council. He always had the undergraduate Brothers in mind when we made decisions. He was active up to his entry into the Omega Chapter. May we honor Bob by staying Involved. Rest In peace Brother!"

DENIS BEAUDOIN, OHIO WESLEYAN '01

"Forever a "man with a heart beneath his vest"! It was my honor to have known Bob all my years working at Alpha Sig. Forever my Brother."

JEFF OWENS, ILLINOIS '87

"I'm so thankful I got to know Bob. He made me laugh, cry, and think all at the same time. I'll never forget a trip we made together in the early 1990s to Michigan State to talk to some guys about expanding. I think we laughed in the car the entire way there and back. RIP, brother."

ED LEEDOM, BOWLING GREEN '86

"Bob Cabello was an extraordinary brother, mentor and friend. The Old Gal has lost one of its greats. Bob's wit, wisdom and keen human insight will be missed."

As for the job of House Director at Missouri, the opportunity came under the most unfavorable circumstances, but Pat Cabello is executing the position with great pride and gratitude.

"Witnessing the positive growth of Brotherhood among these individuals is special," she said. "Every day brings more and greater examples of the motto, *"To Better The Man"*, in action."

Though Pat has only been the Chapter's House Director for a few months, her and her husband's affinity to Alpha Theta has afforded her the privilege of watching this group grow for years now.

"The group of men involved right now are strong, confident and motivated," Pat said. "They have solid plans to build the Alpha Theta Chapter into a prime example of what Alpha Sigma Phi is all about."

Alpha Theta was re-started in 2019 and re-chartered in early 2021. They're a young group charged with continuing the legacy of a chapter that was founded all the way back in 1929. Its maturation and full potential is something Pat looks forward to seeing in the near future.

"I will be proud and grateful to witness it and assist in any way possible."

PLANNED GIVING

Options

There are several avenues for leaving a planned gift with the Alpha Sigma Phi Foundation and joining the prestigious Manigault Society. We encourage you to speak with an attorney and/or your tax or financial advisor to ensure that you are making the best decision for you and your family. Alpha Sigma Phi and our staff cannot provide tax or financial advice.

IRA CHARITABLE ROLLOVER

The IRA Charitable Rollover provision allows individuals who have reached age 70½ to donate up to \$100,000 to charitable organizations directly from their Individual Retirement Account (IRA), without treating the distribution as taxable income.

BEQUEST

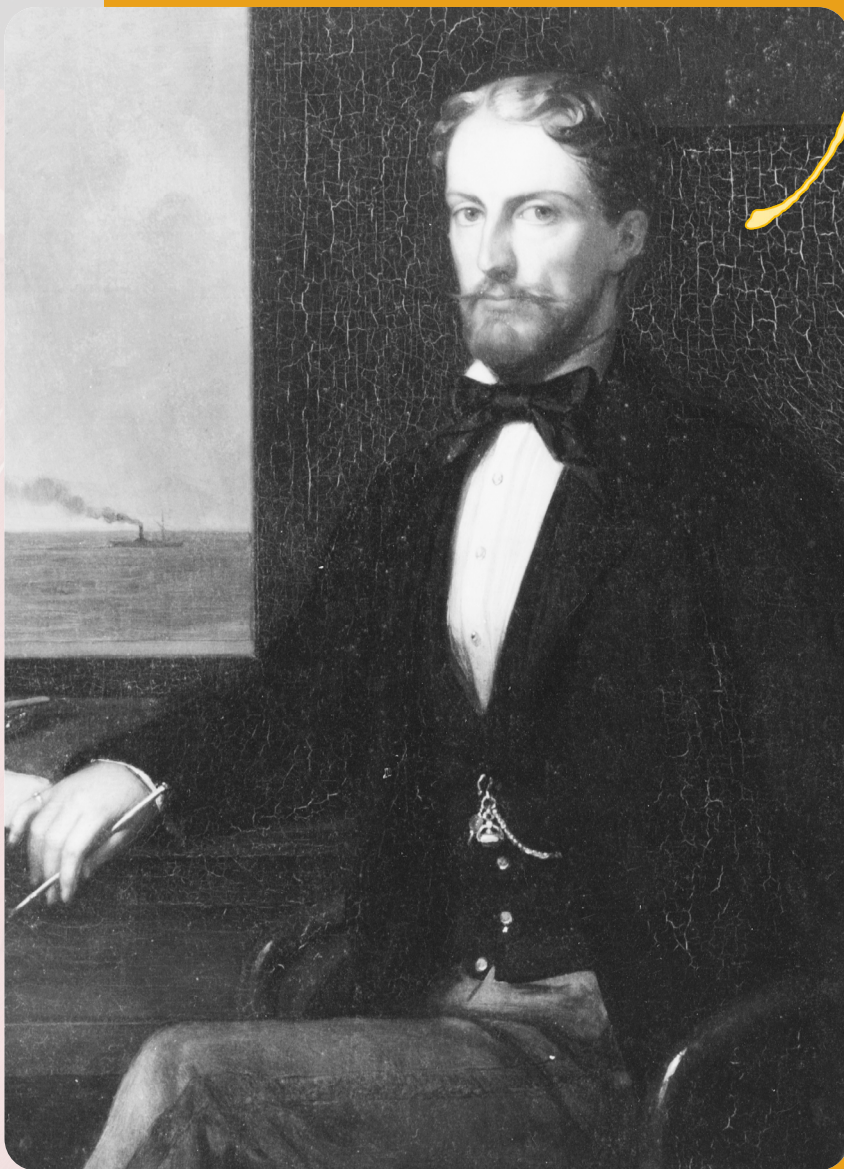

There are no limitations on bequest gifts. Bequests may be made for a general or specific purpose. All bequests are exempt from federal estate taxes. If you have a taxable estate, the estate tax charitable deduction may offset or eliminate estate taxes resulting in a larger inheritance for your family.

BENEFICIARY DESIGNATION GIFT

A beneficiary designation gift is a simple and affordable way to make a gift to support Alpha Sigma Phi. You can designate the Alpha Sigma Phi Foundation as a beneficiary of a retirement, investment or bank account or your life insurance policy. Through this gift method, you can not only support an area of the Fraternity that you care about, but also continue to use the account as long as you need to and receive an estate tax charitable deduction to reduce the burden of taxes on your family.

BLENDED GIFT

There are many combination gift options that can make your giving go farther than a simple gift of property or cash. Blended gifts help you see the impact of your giving today and continue to support our mission in the future.

Named for our principal founder, Louis Manigault, the Society includes those who have included Alpha Sigma Phi in their wills, or have designated Alpha Sigma Phi as a beneficiary of a life insurance policy or retirement account (401K, IRA, etc.). These selfless acts benefit future Alpha Sigs. To learn more about designating the Alpha Sigma Phi Foundation as a beneficiary of your life insurance policy or retirement account , please contact **Matt Humberger, Vice President & COO,** at mhumberger@alphasig.org.

Did we miss you? If you have listed Alpha Sigma Phi Foundation in your estate plans and are not listed, please let us know by contacting us at tbtm@alphasig.org.
