I have gift certificates available. Create a memory. We have couples, mother-daughters, sisters, cousins, even grandchildren, who travel with us. We become a "bus family." The bus driver takes care of finding our way through cities, we never have to worry about parking and to destinations. The bus drops us off and returns to pick us up. I made a Travels with Doris group from email contacts. This will make possible to update more frequently as travel has opened up and I am adding trips. If you know anyone that would like to be added to this group please email address to me. Hope to see you soon. Doris
