Update for July, fresh off the press, I have made some changes. Sorry, I had to cancel Black Hills. Next trip with White Star is Albuquerque & Santa Fe and that is looking good. The new company proved themselves on trips to Ark & Mackinac Island in June. I have been following the KC Chiefs Training Camp. Planning events is still dealing with effects of Covid. Tickets finally became available & I bought 40 so we are good to GO. I have several ladies planning to go that I talked to earlier. Just need to get information out quickly, summer is slipping away. Also had request for Auschwitz in KC. It is there same time as Van Gogh so I am offering trip with ticket to Van Gogh, ticket to Auschwitz or tickets to both. I have gift certificates available. Create a memory. We have mother-daughters, sisters, cousins, even grandchildren, who travel with us. We become a "bus family." The bus driver takes care of finding our way through cities, we never have to worry about parking and to destinations. The bus drops us off and returns to pick us up.

I made a Travels with Doris group from email contacts. This will make it possible to update more frequently as travel has opened up and I am adding trips. If you know anyone that would like to be added to this group please send email with information to me. email: travelswithdoris@gmail.com Website: <http://www.travelswithdoris.org/>
