

Celebrate Mother's Day
By Request Travels with Doris takes you to
Jamesport, Missouri
Wednesday May 5, 2021

Tour through the Amish Farmlands, Amish Homes and Farms, Country Shops and Stores, by the Amish School, Saw Mill, and Cemetery. Learn all about the Amish life style, beliefs, and ask all your questions that you always wanted to know.

Local guide will be Laura Graber, Mary's daughter. She will talk about the Amish culture as we drive through countryside shopping at Beach's Bargains, Mary's store that has towels & locally made items, the dairy & creamery, H&M, and bakery. Grabers Garden Store is typically last stop to provide opportunity to buy garden plants. We filled bottom of bus with mums in September.
