The Fine Print About Tickets:

1. We were able to negotiate an additional discount for the Fellowship Night/ Potomac Cruise on Aug. 2. We are passing the discount to all participants. This current price reflects the discounted rate. Tickets purchased before Feb. 18, 2019 will be sent rebate checks (excluding EventBrite fees) after the end of Tipon 2019.
2. Tipon registration can only be done online via sillimantipon.org. All tickets will be charged credit card processing and other fees by EventBrite, our ticketing agent. They will issue the tickets and the receipts of payment.
3. During Tipon Silliman 2019, a limited number of tickets will be available to participants, especially from the Philippines, who are only able to get their

plane tickets and visas at the last-minute. If you think you will be one of those, please email us at sutipon2019@gmail.com. Credit cards only.

4. If you change your mind about attending any Tipon events, the Tipon Silliman 2019 Steering Committee will issue refunds at 75% of the purchase price, net of the Eventbrite fees, for tickets purchased before July 1, 2019. No requests for refunds will be entertained after July 1. Refunds will be issued after August 4, 2019, the end of Tipon Silliman 2019.
