CASE STUDY

/// CCSG Legal was approached by a State based insurer who was experiencing significant delays in payment of their insured recovery files. We identified key issues, implemented strategies and achieved industry leading results. ///

ISSUES

ANALYTICAL DATA

Inability to make measurable decisions based on lack of intellectual property on litigation strategies from existing suppliers.

ENFORCEMENT DIRECTION

No defined process regarding the enforcement action to be taken.

LEGAL STRENGTH

Litigation steps that were taken were inconsistent with market trends resulting in delay in payment of insured claims.

PROCESS UNDERSTANDING

Lack of knowledge about the legal process.

STRATEGY

REPORTING

Provided the client with analytics on their claims referral process, targeted approaches, and costs benefit modeling. Allowed better internal decisions.

ENFORCEMENT

Changed the focus of the client to include insolvency based recoveries and directed enforcement.

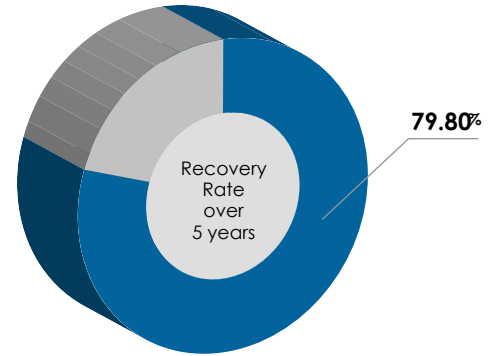

LITIGATION

Assisted in providing the client analytically based litigation strategy.

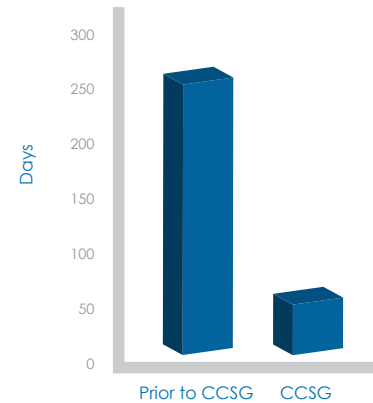

SUPPORT

Bi-annual legal training sessions and weekly strategic sessions.

RESULTS

Reduced the amount of days for payment to be received

EXPERIENCE

Our staff have first hand experience running matters across different jurisdictions throughout Australia's various States & Territories.

DEPTH

Our files are not left to be handled by junior members of staff. Our Senior Practitioners handle and oversee matters from commencement until conclusion.

KNOWLEDGE

Our team has extensive knowledge of the industry and your competitors. Using this knowledge we know how to get results.

TRANSPARENCY

24 hour access to our portal so you can see your file progression at any time.

DATA ANALYTICS

Our operating system allows us to be able to identify and track trends and provide you accurate reports to assist in your strategic planning.
