## **Pricing**

Many factors are considered when pricing your pup's grooming service, including size, coat type, coat condition, behavior, desired haircut, and/or special handling needs. The pricing chart below is a generic starting price based on weight, intended to give you a close idea of our pricing. Any additional charges due to the factors previously listed will be discussed in person at check-in. Doodles have their own category due to their more complex combination coats and the extra product and time needed to properly care for them.

**Bath-** Includes 2 shampoo treatments, (chosen specifically for your pet's coat type and needs), blow dry, brush out, nail trimming and ear cleaning.

**Mini Groom-** Includes everything listed in the bath, as well as a sanitary trim, shaving the paw pad hair, rounding off the paws, and trimming the face. Tails and ears can also be included in requested.

**Full Groom-** Includes everything listed above as well as a full body haircut of owners choosing.
