Dear Parent(s)/Guardian(s),

Hello! My name is Ann-Marie Pase. I am the Summer Camp Director for Dall'Inizio DaySchool. Currently, I am a student at Coastal Carolina University in Myrtle Beach, SC, majoring in Marine Science. However, I am a native to central Pennsylvania and have been involved in childcare for many years. This is my second year as the director of a summer camp program, and I look forward to working with your child(ren). I aspire to do many fun and educational projects with your child(ren), as well as taking them on various field trips that will make real life connections with what we learned through our projects. The camp will hold a science theme, but will also incorporate other subjects such as history and art. Thank you for the opportunity to teach your child(ren). I plan to make this a memorable summer!

Thank you,

Ann-Marie Pase, Dall'Inizio DayCamp
Director

Dall'Inizio DaySchool

Upcoming Events

June 18

First Day of Camp

June 22

Discovery Space Trip

June 26

Swimming at Welch Pool

Important Announcement

Campers must wear sneakers every day, as we will often be outdoors.

During the first week of camp sunscreen should be dropped off to Miss Ann-Marie with the child's first and last name written on the bottom.

Campers must bring a packed lunch to DayCamp daily.

Getting to Know You

The first week of camp will be an introduction week, so that the campers get accustomed to the camp and the new friends. Campers will do teambuilding activities as well as icebreakers. We will also go over Science Safety. By the end of this week campers should be familiar with the routine and the new people! The Campers will have the opportunity to visit discovery Space during this week.

Entering the Realm of Science

A general science week will get everyone excited to learn the different concentrations of sciences. At Discovery Space, Campers will be able to use interactive exhibits and be hands-on in their scientific journey. The second week of camp will also include a swim day, so make sure your child(ren) have their suits!

More Important News

It is important that campers have everything they need for a safe and enjoyable day. Campers must wear sneakers every day, as we will often be outdoors. During the first week of camp, sunscreen should be dropped off to Miss Ann-Marie with the child's first and last name written on the bottom. Campers must bring a packed lunch to DayCamp daily. Also, campers should leave an extra swimsuit, towel, and change of clothes in the classroom. Swimsuits will be sent home to be laundered after swimming.

If there are any questions please contact the center via telephone or email at (814) 380-2419 and dallinizio@gmail.com. Also, you can speak with me at the center.

Thank You!
